

It's Five O'Clock Somewhere!

We have all had the call late in the day, the customer is down and needs a belt. You look and you just sold your last one. Don't panic, give us a call!

With the largest inventory of belts made to ASAE specification S211.5 in North America the odds are pretty good that we will have what you need.

In addition to having what you need in stock we offer same day UPS shipping until 5:00pm CST.

Rest easy and let your customer know you can have them up and running in no time.

UPS automatic shipment notification is also available, if interested give us a call at 1-888-333-3210 to get signed up.

2011 Price Schedule

Effective April 4th

Due to the steady stream of stock orders we are assuming you have received our most recent mailing.

The mailing included the NEW North American Combine and Tractor Belt Application Guide, updated Top 25 list and 2011 Jobber price schedule effective April 4th.

The Top 25 list takes the guess work out of what to stock as it lists the most popular belts by manufacturer. All of The Top 25 are in **bold** in the Jobber price pages.

The following models were added to the NEW Q-Power® North American Combine and Tractor Belt Application Guide.

Allis/Chalmers® / Gleaner®

- GH, R55, R66, R76
- A65, A66, A75, A76, A85, A86

Case® International®

- 2377, 2588, 5088, 6088, 7088
- 7010, 7120, 8010, 8120, 9120

Challenger®

- 640, 642, 643

Wanted:

Parts Books

We continue to provide the most extensive and up to date Combine and Tractor application guide in the industry.

We are currently updating our Export application guide and are asking for your help.

If you can provide the most recent parts books, drive schematics and or drawings for the following manufactures and models please let us know.

PS: There may be a reward!

Claas® / Lexion®

- Tucano 470, 480
- Avero 240

Deutz-Fahr®
