

Marketing Collateral

Q-Power marketing collateral can now be viewed on our web-site.

Access at www.q-power.com - click the Marketing Collateral button located on the left side of the site.

You can order any of these items in reasonable quantities by calling our customer service department at 1-888-333-3210.

If you have an idea for additional marketing collateral please let us know.

Feedback

We are continually seeking feedback on:

- Mfg. model numbers for our catalog
- Part numbers for our catalog
- The products fit, form and function
- Does the Quality meet your expectations
- Web-site enhancements
- Are we meeting your

Belt Catalog Update

The **Lexion®** and **Massey Ferguson®** sections on our web-site have been updated and are now available for your use. We have also added a section covering **Challenger®**

How to access the updated information

1. Go to web site (q-power.com)
2. Click 'Catalog' (left side of site)
3. Click 'Belt Catalog' (top of site)

Already have an OEM part number?

1. Add a QP in front of number
2. Enter into field at top of screen
2. Click find applications button
3. Shows all models the part is used on
Click and see schematics from here

Need to find a part number?

1. Find the manufacture
2. Click on the machine model number

A. Part number for specific location

Click on the number in the schematic

B. All part numbers and locations

Click on 'all parts' under schematic

C. Part numbers not in schematics

Click on 'Belts not illustrated'

After review please provide feedback as we

expectations
